

# Word hunt

Your name .....

Location .....

Where will you go looking for words? This could be in your house, in your garden, or on a walk.

## Instructions

1. Draw a map of the location for your word hunt.
2. Walk around and search for words. The word could be on a label, on an object or a sign.
3. Record where you found the word on your map.

Your challenge is to write a paragraph and include all the words you found.  
Can you develop an idea and make the sentences all connect?
